of ROBERT BURNS

edited by

James Kinsley

The index contains the following information in the following order.

- CD volume number . CD track number
- First line as in Kinsley [Clarendon edition] and NOT the Linn track 'titles'.
- (Poem/song number in Kinsley ~ Kinsley volume number ~ Page number)

For some mad reason my set of Linn CDs are numbered consecutively from 1 to 10 then; 11, 11b, 12. Needless to say I eschew such silliness so their 11b is my 12, their 12 my 13!

N.B. The text in the Linn recordings is often considerably at odds with that of Kinsley!
